Description:

This series is part of Scholastics early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! In the second book in the series, Sam Gravess friend Lucy disappears into her locker! Sam and his friend Antonio follow a trail of clues that leads them through the locker and deep inside the school. Will they find Lucy? Will they learn why the school is ALIVE? Sam and Antonio must rescue Lucy from this scary school before its too late! En el segundo libro de la serie Escuela de Espanto, Lucía, la amiga de Samuel Cementerio, ¡desaparece dentro de su casillero! Samuel y su amigo Antonio siguen su rastro. ¿La encontrarán? ¿Descubrirán por qué la escuela está VIVA? Samuel y Antonio deben rescatar a Lucía de la temible escuela antes de que sea demasiado tarde.

Este libro me gusto para que mis hijos practiquen su Español. Ellos hablan ingles y Español pero se les va olvidando porque en la escuela solo se permite hablar Ingles. Para mi es muy important que ellos puedan utilizar su Español y por eso comprador este serie de libros. Mis hijos tienen 9 y 12 años y Les Han gustado mucho. Tienen algunas palabras que ellos no reconocen pero es Buena oportunidad para presentarles mas vocabulario.

I really like the sassiness of Aggie and liked that the other 3 witches respected her as an elder to help out. 1 or 2 ideas stood out. I love it so much that I can't wait for Rastor. Stewart has a way with words to tell a story that draws you in, and keeps your interest. Remember how I said the author introduces new story pieces little by little. I think Nora Roberts is a very good writer, especially if you favor a fairly descriptive writing style, which I usually don't. Macs and Teala's journey was filled with twists and turns but amazing and beautiful moments that I couldn't get enough of. 5453.6544.976 This is far more than just a little bit of "research and write" garbage telling you nothing worthwhile. Loved seeing the conclusion to this story. Interesting story, granted it's far from an original premise, but this one takes an interesting twist to the escaped super soldier assassin story line. In this biography of the famous Civil War general, R. "It's been months since a rogue comet changed the world forever. The Couples 2014 Collection Includes: Tess Sidney, Part 1 (6,500 Words) New girl in town Sidney knew she was giving up her love life when she moved into a town with more cows than people. Fearing Malik is dead and after months of being experimented on, Brooke finally escapes.
